04

Format & Distribution

4 options, one recommended.

- Free YouTube

1 long video (2h50) with chapters or series of 9 episodes.

Maximum reach and SEO. First in PT-BR. Does not monetize directly.

- Community (Paid)

Exclusive access Micro-SaaS PRO. Live sessions with Q&A.

Added value, indirect monetization. Limited reach.

05

Complementary Material

-

Setup Checklist

Reproducible step-by-step in PDF/Notion

-

Templates: SOUL.md, USER.md, AGENTS.md, MEMORY.md

Ready-made templates to copy and customize

-

List of Integrations with Links

APIs, CLIs and instructions for each integration

-

Cost Spreadsheet

How much each model costs per month (real breakdown)

-

GitHub Repo with Example Configs

No credentials · ready to clone and use

06

Content Waterfall

From the mini-course, extract 7+ pieces of content.

- Hybrid · YouTube + Community

Free (YouTube): Modules 0-2 (~55 min) · opening + setup + personality = immediate value.

Paid (Community): Modules 3-9 · memory, integrations, multi-agents, immune system = content that nobody else has.

Natural funnel: free content attracts · premium converts · community retains.

- RECOMMENDED

.
5-7 LinkedIn posts (1 per module)

..
3-5 Reels/Shorts (demos + bugs)

.
Complete X Thread (13 days)

.
Newsletter (behind the scenes)

.
Hand-drawn infographic

..
Podcast (edited transcription)
